

New Durham Planning Board April 21, 2007 Kodiak Woods Site Walk

Members Present: Member Bob Craycraft, alternate selectman's representative Ron Gehl and alternate George Gale.

Others Present: Abutter Mark Foynes.

The meeting convened at 8:15 AM.

The Board members proceeded to walk the proposed subdivision roadways, to examine test pits and to review drainage concerns on the parcel. Ron Gehl took numerous digital photographs and recorded corresponding comments regarding test pit conditions and drainage conditions observed during the site walk.

Mark Foynes was informed that another site walk would be scheduled once the lot lines were flagged and Mr. Foynes was informed that the next public hearing on the Kodiak Woods subdivision proposal would be held on Tuesday, May 1, 2007.

The site walk adjourned at 9:42 AM.

Respectfully Submitted,
Bob Craycraft
