

# **Copple Crown Village District Meeting**

## **12-18-2020**

### Present:

Virginia Skinner – Commissioner  
Kelly Bisson – Commissioner  
Zac Paquette – Commissioner

### Call to Order:

Commissioner Skinner called the meeting to order at 5:30pm

### Agenda Points:

Notices to Lien will be sent in January for unpaid water service fees.  
Water service will be shut off at homes with long term non payment in Feb  
We have residents that have still paid nothing towards this year's bill.

B. Pineo has been hired for CCVD winter road maintenance. PLEASE direct any questions or concerns to Commissioners at 2015ccvd@gmail.com

There was a leak discovered in the main line on Mountain Drive. It has been repaired.

Clearing of trees that originate past CCVDs setback, that are extending into any roadway within the District, or have fallen from a residents property into the road or ditch, is the responsibility of the homeowner.

Input or questions on next year's budget should be sent to 2015ccvd@gmail.com asap. We are hoping to present the budget to the town in January.

Please always clear driveway culverts of debris to keep drainage working. The recent rains showed how important clear culverts always are.

### Public Input:

Many residents voiced concerns and questions regarding the new plow company. The Commissioners advised that there will be a huge huge learning curve for the drivers.

Please be advised that we are doing our best, 24 hours a day, 7 days a week. The public should know Commissioners are compensated \$750.00 annually for this position. That equates to just under 2 hours a week at minimum wage.

### Treasurer's Report:

For November

Beginning Balance: \$104,238.94

Ending Balance: \$99,792.41

Adjourn:

Meeting adjourned at 5:55 PM
