### Call to Order:

Commissioner Skinner called the meeting to order at 10:00am

### Agenda Points:

Thank you Paula and Rick Perro for keeping CCVD entrance looking beautiful.

Thanks to Russ Davis for keeping Lodge grass cut.

Commissioner Skinner made a motion to set the speed limit within the Village to 25 mpg. Bria Seay seconded it. The Commissioners unanimously voted in favor.

Commissioner Skinner made a motion to implement Parking Ordinance TO 03.00. George Sherback seconded it. The Commissioners unanimously voted in favor.

Jake Dawson filed an application with the state looking for grant money for the water system.

The old plow blade was sold for \$ 400.00.

Please keep driveway culverts clear of debris. This is the homeowners responsibility.

Commissioner Bisson issued a correction to the 7-20-2020 minutes. Grant money will not need to be paid back. Should the project, for some reason, run over the grant amount, the savings obtained from moving the pumps will help mitigate that cost. Anything over that would be the responsibility of the Village.

### Public Input:

Brea Seay asked about regulations for firing guns within CCVD. Commissioners recommended she talk to the New Durham Police with her questions.

George Sherback inquired about Atlantic Broadband installation of cable at his house. Commissioners are working with the company to move the project along.
