Also Present:

No one else present.

Call to Order:

Commissioner Skinner called the meeting to order at 4:12pm.

Agenda Points:

Trees

We agreed to continue to use 603 Tree Service for trimming as we go further up Mountain Drive and other roads.

We can lock them in to their current price if we agree to have them come back for five days a year, if we have them come back annually.

Roads

We will be talking with Scott Kinmond about getting sand and salt through the town. We need to figure out our tonnage/usage from years past.

We also need to look in to getting municipal fuel from Wolfeboro.

We will offer the winter plowing contract to Mat Pero again.

If we don't hear back from Burrows about fixing upper Mountain Drive, we will have to contact our other bids.

We looked at the bids to dig out the ditches along Saint Moritz as well as other work. We decided to go with Scott Lehner.

We will get the Parking Form updated and on the town site. The rate will be \$50/month. We will have tags to attach to the vehicle.

We reviewed parking signs to put up in various areas.

Pool

Pool will be open soon. We are waiting on chemicals.

Other

Locks will be replaced soon.
