

New Durham Ethics Committee

Draft minutes

November 14, 2017

PRESENT: Ellen Phillips, Carol Allen, Dot Veisel, Joan Swenson by phone

LOCATION: New Durham Library

TIME: 7:00

PUBLIC INPUT: None

NEW BUSINESS: Issues discussed:

- Dot provided to the committee feedback received from Attorney Margaret Byrnes, from NHMA. Atty Byrnes had facilitated the workshop on the New Durham Ethics Policy for town employees and elected or appointed officials. After a thorough review of the New Durham Ethics Policy, she felt New Durham's Ethics Policy could serve as a model for other communities.
- The Board of Selectman agreed to put funding into the Ethics budget to allow us to host another workshop to review the Right to Know (91-A) regulations after town elections in the March. Pending the budget being passed, we agreed by consensus to contact Arty Byrnes to reserve a slot in her April/June workshop schedule. Dot will email her. We will finalize this commitment by a formal motion after budget is passed.

Motion to adjourn at 7:30

Respectfully submitted,

Dorothy Veisel
