Andrew Hernandez, Darlene Demeritt

Resident Celeste Chasse,

Revolution united...representative. Nicole Richard, Eric Richard.

Excused absent: Doug Perkins

Meeting starts at 7:00 PM

Location: Town hall

- Meeting with revolution united, reviewed program and asked extensive questions. Covered questions related to sports programing. Revolution united gave a good overview of their program and answered questions.
July 2nd- BOS will reconvene again with the revolution reps. July 9th BOS meeting to possibly finalize decisions.
- Possible fundraising discussed-
Kid's night at New Durham school, was successful last year. Possible notification to parents via social media to get an idea of interest.
Kid's movie night/ options for teenagers to have movie/game night in community room or outdoors.
- New Durham 5k
Is this race in a series? Questions on whether it was in a series last year. Noted by resident input that this would be beneficial to have more participation and sign ups, to make sure it is in a local series and set a proper date that does not conflict, race does not need to be on same day as CNDD activates
- Brief discussion about
CNDD- date change due to not having a recreation director on staff. August Labor day? At the beach- possible, small celebrate new Durham day activates to coincide with fireworks at the Marina.
Commission decided to wait until next meeting to decide on CNND date, with the intention that a new Parks and recreation director will possibly be on staff.

Meeting adjourned 9:10

Next, meet July 17 Wednesday 7pm.

Agenda will be Celebrate New Durham day and 5k race setup and date to set.

New fundraising events...kids night/teen night movie night or game activities.
