

Site Walk @ Don and Vicky Blackden property, Old Bay Rd, Map 256 Lot 13 July 16 2022.

Attendance: Randy Tetro-Norway Plains, Don Blackden, David Bickford., Scott Drummey, Marc Decoff, Jeff Allard

Meeting opened at 6:04 pm

-Randy led the group through the property.

-We walked to the back of lot 1 and walked across the other lots looking at slope of land, wetlands and woods. Most 'wetlands' looked more like woods, but there were a couple small wet areas in lots 3-4. Randy pointed out approximate house locations as we went. We noticed that loggers at adjacent lot to the East was over logged a bit deeper in the woods.
