

Excavation Permit

Town of New Durham

This permit entitles Charles McKay to Excavate and sell rock, gravel, sand, or loam from the approved Excavation area located Pine Point Road, Tax Map 102 Lot 5+16 in the Town of New Durham.

All Excavation operations must comply with the terms of State law, Town Ordinance, and the application materials submitted to and approved by the Planning Board on August 18, 2015. Any deviation from these terms may result in cancellation of this permit by the Planning Board or the Code Enforcement Officer. This permit does not replace any other permits required by the Town of New Durham, the State of New Hampshire, or any other public entity. This permit is not transferable to any other individual or entity.

This permit expires on October 20, 2019

This permit must be posted at all times in a weatherproof manner at a location easily visible to the public at the entrance to the Excavation site. For further information contact the New Durham Planning Board or Code Enforcement Officer at 603-859-7171.

Signed by Scott McQuinn, Planning Board Chair, on October 20, 2015
