Police Chief Shawn Bernier asked why the \$10,000 requested for Birch Ridge could not be taken from existing Conservation Funds

Conservation Commission Chairwoman Cathy Allyn stated that she did not know who had the authority to say for certain whether the Conservation Commission would support the proposal, but the Conservation Commission will discuss the request at their next meeting.

Mike Speltz of the NH Forest Society was asked to explain how an amendment might affect the Town’s chances of receiving a grant. Mr. Speltz stated that a clear demonstration of commitment would place the Town in a more competitive position.

A request for a secret paper ballot was requested by Joy Smith, Ellen Phillips, Dorothy Veisel, Carol Allen, Kathryn Woods and Carleton Woods, but petitioners publicly withdrew the request.

A standing vote showing voter's cards was taken and the Moderator declared that Article 22 passed.

Fifth-grader Amber Arsuaga statement:

Hello. My name is Amber Arsuaga. I am here to show why I am in favor of article twenty-one.

One reason I think that the town should buy this property is because then the town will have the land for hiking trails, snowmobile trails and many other things that the town could do with it. It will also keep the land available for wild animals to live in.

Pollution is another reason. I am worried about the pollution in the sky. If the sky gets polluted we may not be able to see the stars. Pollution of the lake is another concern. Merrymeeting Lake could get polluted from the run-off.

Every year in school we learn about saving our environment, it is obvious why this is important.

I know that if this land is bought by the town it could cost the property owners of New Durham money through taxes, however, not only could it be saving Merrymeeting Lake and Coldrain, but this increase in taxes to purchase the property will be temporary. Only a couple of years. But if this land is developed, the additional things that could be needed such as another school, road maintenance, etc., will cause the increase in taxes to be permanent.

Article twenty-two asks that the town payers raise \$10,000 dollars for survey and legal expenses to the process moving. There seems to be further plans for fundraisers. I hope that this is approved. Thank you.
